

Halsey - Easier Than Lying

tom:

Intro: Gb Bb A E

[Primeira Parte]

Gb Bb A E
I'm only whatever you make me
And you make me more and more a villain every day

But you don't know you reap, you sow

Gb Bb A E
Whatever you give to me, from yourself you take
Well, if you're a hater, then hate the creator

It's in your image I'm made

[Refrão]

Gb Bb A E
One eye open and one eye closed
'Cause I'll hang myself if you give me rope
I lost all my faith and lost all hope
That everything means anything at all

Gb Bb A E
One eye broken and one eye bruised
'Cause I gave myself away for you
You liar! You don't love me too

It's easy for you, after all

[Segunda Parte]

Gb Bb A E
My heart is massive, but it's empty
A permanent part of me, that innocent artery
Is gasping for some real attention
Some undivided hypertension

Bb A E
I tell it: Quiet down, you're being loud
But it beats harder every time you come around

But do you love the sound?

Acordes

[Refrão]

Gb Bb A E
I sleep with one eye open and one eye closed
'Cause I'll hang myself if you give me rope
I lost all my faith and lost all hope
That everything means anything at all

One eye broken and one eye bruised

You liar! You don't love me too
It's easy for you, after all

Losing you is easier than lying to myself

That you love me
Losing you is easier than lying to myself

That you love me
Losing you is easier than lying to myself

That you love me
Losing you is easier than lying to myself
