When I was young, I fell in love
 We used to hold hands, man, that was enough (yeah)
 Then we grew up, started to touch
 Used to kiss underneath the light on the back of the bus (yeah)
 Oh no, your daddy didn't like me much
 And he didn't believe me when I said you were the one
 Oh, every day she found a way out of the window to sneak out late
 She used to meet me on the Eastside
 In the city where the sun don't set
 And every day you know that we ride
 Through the backstreets of a blue Corvette
 Baby, you know I just wanna leave tonight
 We can go anywhere we want
 Drive down to the coast, jump in the seat
 Just take my hand and come with me
 We can do anything if we put our minds to it
 Take your whole life then you put a line through it
 My love is yours if you're willing to take it
 Give me your heart 'cause I ain't gonna break it
 So come away, starting today
 Start a new life, together in a different place
 We know that love is how these ideas came to be

So baby, run away with me
 Seventeen and we got a dream to have a family
 A house and everything in between
 And then, oh, suddenly we turned twenty-three
 Now we got pressure for taking our life more seriously
 We got our dead-end jobs and got bills to pay
 Have old friends and know our enemies
 Now I-, I'm thinking back to when I was young
 Back to the day when I was falling in love
 He used to meet me on the Eastside
 In the city where the sun don't set
 And every day you know that we ride
 Through the backstreets of a blue Corvette
 Baby, you know I just wanna leave tonight
 We can go anywhere we want
 Drive down to the coast, jump in the seat
 Just take my hand and come with me
 Singing
 We can do anything if we put our minds to it
 Take your whole life then you put a line through it
 My love is yours if you're willing to take it
 Give me your heart 'cause I ain't gonna break it
 So come away, starting today
 Start a new life, together in a different place
 We know that love is how these ideas came to be
 So baby, run away with me
 Run away, now
 Run away, now
 Run away, now
 Run away, now
 Run away, now
 Run away, now
 Run away, now
 Run away, now
 Run away, now
 He used to meet me on the Eastside
 She used to meet me on the Eastside
 He used to meet me on the Eastside
 She used to meet me on the Eastside
 In the city where the sun don't set
