

Halsey - Ghost

Tom: C

(com acordes na forma de Capostrate na 5ª casa G)

I'm searching for something that I can't reach.

I don't like them innocent

I don't want no face fresh

Want them wearing leather

Begging, let me be your taste test.

I like the sad eyes, bad guys

Mouth full of white lies

Kiss me in the corridor,

but quick to tell me goodbye.

You say that you're no good for me

Cause I'm always tugging at your sleeve

And I swear I hate you when you leave

But I like it anyway.

My ghost

Where'd you go?

I can't find you in the body sleeping next to me

My ghost

Where'd you go?

What happened to the soul you used to be?

You're a Rolling Stone boy

Never sleep alone boy

Got a million numbers

And they're filling up your phone, boy.

I'm off the deep end, sleeping

All night through the weekend.

Saying that I love him but

I know I'm gonna leave him.

You say that you're no good for me

Cause I'm always tugging at your sleeve

And I swear I hate you when you leave

But I like it anyway.

My ghost

Where'd you go?

I can't find you in the body sleeping next to me

My ghost

Where'd you go?

What happened to the soul you used to be?

I'm searching for something that I can't reach.

My ghost

Where'd you go?

I can't find you in the body sleeping next to me

My ghost

Where'd you go?

What happened to the soul you used to be?
