

Halsey - Hurricane

Tom: C

(com acordes na forma de Capotraste na 5ª casa G)

There's a place way down in Bed Stuy,
Where a boy lives behind bricks,
He's got an eye for girls of eighteen,
And he turns them out like tricks

I went down to a place in Bed Stuy
A little liquor on my lips
I let him climb inside my body
And held him captive in my kiss

And there's a storm you're starting now
And there's a storm you're starting now
And there's a storm you're starting

I'm a wanderess
I'm a one night stand
Don't belong to no city
Don't belong to no man
I'm the violence in the pouring rain

I'm a hurricane
Ha ah ah ha ah ah ah
I'm a hurricane
Ha ah ah ha ah ah ah
I'm a hurricane

I went down to a place in Brooklyn
Where you tripped on LSD
And I found myself reminded

To keep you far away from me
And there's a storm you're starting now
And there's a storm you're starting now
And there's a storm you're starting

I'm a wanderess
I'm a one night stand
Don't belong to no city
Don't belong to no man
I'm the violence in the pouring rain

I'm a hurricane
Ha ah ah ha ah ah ah
I'm a hurricane
Ha ah ah ha ah ah ah
I'm a hurricane

He says, "Oh, baby, beggin' you to save me.
Well lately, I like 'em crazy.
Oh, maybe, you could devastate me.
Little lady, come and fade me."

I'm a wanderess
I'm a one night stand
Don't belong to no city
Don't belong to no man
I'm the violence in the pouring rain

Come and fade me
Come and fade me
I'm a hurricane
