

Halsey - Hurt Feelings

tom:

[Primeira Parte]

My dad is almost home
 I can't tell time yet but I know
 Because the air becomes electric
 And my mother cleans the stove
 We're walkin' through the door
 And both my eyes will find the floor
 And I will search my brain to find something
 I might get yelled at for
 He'll come in with a frown and tell me
 "Sit your ass right down"
 Or he might get his kicks from jokin'
 That he's just playin' around
 And in a few years I will leave
 But I will perpetually believe
 That any man who tells me that he loves me
 Is hidin' somethin' up his sleeve

[Refrão]

Wash me in the water
 You can cut off all of my hair
 And I'll, be changin' like the weather
 But I'll never be like him

[Segunda Parte]

The other girls date older guys
 And wear their T-shirts late at night
 But everything I own that's oversize
 Belongs to me, it's mine
 And I don't have souvenirs of all the earliest of years
 You know my father isn't dead
 But it don't feel like he's still here
 It's strange now that he's greyin'
 Gettin' older by the day
 And my eyes tell me that he's harmless
 Despite what my heart has to say

[Pré-Refrão]

So maybe just forget
 Maybe move on don't regret

Or maybe this is just another trick
 That hasn't happened yet
 [Refrão]
 Wash me in the water
 You can cut off all of my hair
 And I'll, be changin' like the weather
 But I'll never be like him
 'Cause blood is thick but water is forever
 And I'm stiffer than a board
 Lighter than a feather
 And that girl will be a problem
 Only if you let her
 And I left it back home
 But I can't help forget her

[Ponte]

I thought that it was my fault
 And now sometimes I still do
 You didn't chase me through the park
 So now I'm, chasin' after you
 But I can't, keep off the illusion
 Oh, I can't find your point of view
 Oh, I can't bear to fake a smile
 When you walk into the room

[Refrão]

'Cause blood is thick but water is forever
 And I'm stiffer than a board
 Lighter than a feather
 And that girl will be a problem
 Only if you let her
 And I left it back home
 But I can't help forget her
 Wash me in the water
 You can cut off all of my hair
 And I'll, be changin' like the weather
 But I'll never be like him
 'Cause blood is thick but water is forever
 And I'm stiffer than a board
 Lighter than a feather

And that girl will be a problem

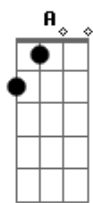

Only if you let her

And I left it back home

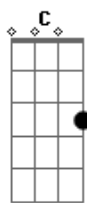

But I can't help forget her
