

# Halsey - I Never Loved You

tom:  
Intro: D A A Bm A G  
Oh, oh

[Verse 1]

D G  
A G  
They're cuttin' her up on the operatin' table, but it wasn't enough  
Bm  
The front desk pages, it's a call for the ages  
A G  
They couldn't save her, they couldn't save her  
D G  
The surgeon said, "She had a hole in her heart  
A G  
But it wasn't her fault, it was there from the start"  
Bm  
Tryin' to love you through an open wound  
A G  
'Cause everythin' I put inside there just fell right through  
D  
And I hold the parts together with some pressure and glue  
G  
And you're runnin' in slow-mo to the hospital room  
Bm  
If you only knew  
A G  
How bad it hurt me too

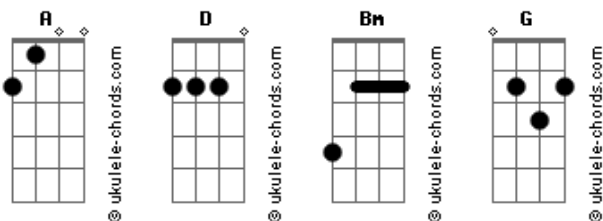

[Chorus]

D  
So now you can take the money, you can get on a plane  
G A G  
To a beautiful island, build her house in my name  
Bm  
You can donate all the money to somebody in pain  
A G  
And you can rest your head down and not feel any shame  
D G A G  
I never loved you  
Bm A G  
I never loved you  
D G  
I never loved you in vain

[Verse 2]

D  
They're sewin' me shut  
G A G  
Openin' the doors and then removin' their gloves  
Bm  
Taking the long way to the end of the hallway  
A G  
They couldn't save her, they couldn't save her  
D G

## Acordes

Told the nurses that we argued a lot  
A G  
And you're ramblin' on about the last time we fought Bm  
You drove off screamin' on the night you were caught A G  
You left me standin' in the parkin' lot D G  
I took off chasin' you down Route 22 A G  
'Cause you never listened, and I'm terrible too Bm  
You kept on drivin' far away from the issues A G  
If you stopped, I would've kissed you

[Chorus]

D  
So now you can take the money, you can get on a plane  
G A G  
To a beautiful island, build her house in my name Bm  
You can donate all the money to somebody in pain A G  
And you can rest your head down and not feel any shame D G A G  
I never loved you Bm A G  
I never loved you D  
I never loved you in vain

[Bridge]

G  
Flash of light, heat of fire  
Bm  
Head on concrete and the screechin' of tires  
G  
Sound of sirens, rush of pain  
I almost thought I heard you call my name

[Chorus]

D  
So now you can take the money, you can get on a plane  
G A G  
To a beautiful island, build her house in my name Bm  
You can donate all the money to somebody in pain A G  
And you can rest your head down and not feel any shame D G A G  
I never loved you Bm A G  
I never loved you D G A G Bm A G  
I never loved you in vain
