

Halsey - Letter To God (1983)

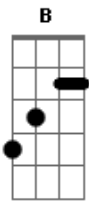

tom:
 B (forma dos acordes no tom de A)
 Capotraste na 2ª casa
 Intro: G Em C

[Primeira Parte]

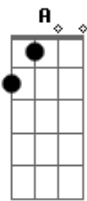

I left home and moved to Brooklyn
 Where my boyfriend had a place
 And he had track marks on his arms
 But had the most angelic face
 I watched my friends die before twenty-one
 And now I'm twenty-eight
 And met the doctors every day
 Because I can't stop losing weight
 And now I'm the one with the needles
 In my arms and in my legs
 And making jokes about the blood tests
 And I'm plannin' my estate
 And I don't wanna blame the child
 But I have to speculate
 If this could all just be an answer

To those quests that came delayed
 Because I'd never would have said it
 If I knew I'd have to wait
 Until the moment I was happy
 Then it all disintegrates and I'm singin'
 [Refrão]
 Please, God, I don't wanna be sick
 No, I don't wanna hurt, so get it over with quick
 Please, God, I wanna be loved
 Don't wanna be somebody that you're tryna get rid of
 Please, God, I don't wanna be sick
 No, I don't wanna hurt, so get it over with quick
 Please, God, I wanna be loved
 I don't wanna be somebody that you're tryna get rid of
 [Final]
 Thank you
