

Halsey - Lonely Is The Muse

tom:

A (forma dos acordes no tom de G)

Capostrate na 2ª casa

Intro: G Em Bm

[Primeira Parte]

I spent years becoming cool
 And in one single second you can make a decade of my efforts disappear
 I'm just waiting at the bar and you rip open all my scars
 By saying something like, "Didn't know you were here"

[Refrão]

I always knew I was a martyr and that Jesus was one too
 But I was built from special pieces that I learned how to unscrew
 And I can always reassemble to fit perfectly for you
 Or anybody that decides that I'm of use

[Pós-Refrão]

Lonely is the muse
 Ah-ah
 Lonely is the muse

[Segunda Parte]

So, wh?re do I go in the process wh?n I'm just an apparatus?
 I've inspired platinum records, I've earned platinum airline status
 And I've mined a couple diamonds from the stories in my head
 But I'm reduced to just a body here in someone else's bed

[Refrão]

Always knew I was a martyr, that Jesus was one too
 But I was built from special pieces that I learned how to unscrew
 And I can always reassemble to fit perfectly for you

Acordes

Or anybody that decides that I'm of use

[Post-Refrão]

Lonely is the muse
 Ah-ah
 Lonely is the muse
 Ah-ah

[Terceira Parte]

And I will always be a martyr, I will fill your life with songs
 I'll be a wind chime in the window catching light to throw around
 And I will tear apart your bedroom, I'll call you in the night
 I will exist in every second just to decorate your life

[Ponte]

And when you're done you can't discard me like the others always do
 And I will nurse my wounds until another artist stains me new

[Refrão]

And I will always reassemble to fit perfectly in view
 For anybody that decides that I'm of use

[Pós-Refrão]

Lonely is the muse
 Ah-ah
 Lonely is the muse
 Ah-ah
 Lonely is the muse

[Final]

Lonely and forgotten is the
