Verso 1:

I don't wanna fight right now, know you always lie  
Now I know I need you 'round with me, but nobody will be around with me  
Been through the ups, yeah the ups and the downs with me  
Got a whole lot of love, but you don't wanna spread it 'round with me, yeah

Pré-Refrão:

Never pick up, never call me, you know we running outta time  
Never pick up when you owe me, now I gotta draw a line  
Baby I've been done enough talking, I need to know that you're mine  
Baby we've done enough talking, gotta be right now, right now

Refrão:

Baby gon' love me now, now, now, now, now, now  
Now or never  
I want you to hold me down, down, down, down, down, down  
Down forever  
Said you don't wanna keep you around  
'Round forever  
I want you to love me now, now, now, now, now, now  
Now or never

Verso 2:

I'm turnin' off the light right now, I'm callin' it a night  
Now wishin' you were 'round with me, but you in a different town than me  
We've been through it all, but you could never spit it out for me  
Tryin' to talk to a wall, but you could never tear it down for

me, yeah

Pré-Refrão:

Never pick up, never call me, you know we running outta time  
Never pick up when you owe me, now I gotta draw a line  
Baby I've been done enough talking, I need to know that you're mine  
Baby we've done enough talking, gotta be right now, right now

Refrão:

Baby gon' love me now, now, now, now, now, now  
Now or never  
I want you to hold me down, down, down, down, down, down  
Down forever  
Said you don't wanna keep you around  
'Round forever  
I want you to love me now, now, now, now, now, now  
Now or never

Ponte:

Draw the line up, don't take no more time up  
Make your mind up, I need you to make your mind up  
Draw the line up, don't take no more time up  
Baby you gotta decide something, let me know

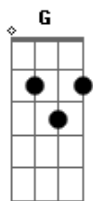

Refrão:

Baby gon' love me now, now, now, now, now, now  
Now or never  
I want you to hold me down, down, down, down, down, down  
Down forever  
Said you don't wanna keep you around  
'Round forever  
I want you to love me now, now, now, now, now, now  
Now or never
