Em G D A  
I'm the only girl alive in LA county  
Em G D A Em  
I'm the only one who sees (Ayy)  
G D A Em  
I wake up every day in some new kind of suffering  
G D  
I've never known a day of peace  
G D A Em G  
I wonder if I ever left behind my body (Ooh)  
Do you think they laugh at how I die?  
G D A Em  
Or take a photo of my family in the lobby  
G D  
The ceremony's small inside  
G D A  
'Cause I don't know if I could sell out my own  
Funeral (Ah-ah)  
G D A Em  
At least not at this point in time  
G D A Em  
And if I ever try to leave behind my body  
G D  
At least I know it was never mine, it was nver mine  
G D A Em  
It was nevr mine  
G D A  
It was never mine

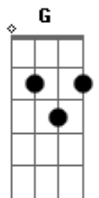

[Segunda Parte]

G D A Em  
I'm the only girl alive in New York City  
G D A Em  
I left my wallet on the train  
G D A Em  
Since I no longer even have a driver's license  
G  
I guess that means I have no  
D  
Name (This is Halsey St)  
G D A Em  
And I could run away somewhere on the West Coast  
G D A Em  
And finally be a real life girl  
G D A  
Go take my organs and they'll hang me from a  
Em  
Bedpost  
G D  
Sayin' I was too soft for this world  
G D  
And they'd be right, because quite frankly it'd be  
A  
Like  
Em G D A  
A shooting kill me every day, the way it does  
G D

I don't know what I do to have this fate I'm  
A  
Drenched in it  
Em G D  
And I can't even run from what I know  
G D A Em  
My special talent isn't writing, it's not singing  
G D A  
It's feeling everything that everyone alive feels  
Em G D A  
Every day  
Em G D A G D A Em  
Feels every day, feels every day, feels every  
G D A  
Day

[Terceira Parte]

G A A  
I think I'm special 'cause I cut myself wide open  
G A A  
As if it's honorable to bleed  
G D A Em  
But I'm not lucky and I know I wasn't chosen  
G D  
The world keep spinnin' without me  
G D A Em  
I told my mother I would die by twenty-seven  
G D A Em  
And in a way I sort of did  
G D A  
This thing I love has grown, demanding and  
Em  
Obsessive  
G D  
And it wants more than I can give, than I can give  
G D A Em  
Than I can give  
G D A  
Than I can give
