

Halsey - The End

tom:
Gb (forma dos acordes no tom de **F**)
 Capotraste na 1ª casa

[Primeira Parte]

F Every couple of years now, a doctor says I'm sick
F Pulls out a brand new bag of tricks and then they lay it on me
F And at first, it was my brain, then a skeleton in pain
F And I don't like to complain, but I'm saying sorry

[Pré-Refrão]

Bb When I met you, I thought I was damaged goods
Bb Had a fucked up childhood
Am And there's poison in my brain and in my blood

[Refrão]

Bb If you knew it was the end of the world
Gm Could you love me like a child?
F Could you hold me in the dark?
B If you knew it was the end of the world
Gm Would you like to stay a while?
F Would you leave when it gets hard?

[Segunda Parte]

F So I ran into the clinic and I asked to see the man
F With his white coat and his stethoscope like a snake around his hand
F And I told him I'm not bitter 'cause I finally found a lover
F Who's better for my liver and now I'll finally recover

[Pré-Refrão]

Bb When I met him, I thought I was damaged goods
Bb From a real bad neighborhood
Am So we wrestled in the mud
Bb And I told him he could stay right where he stood
Gm But I don't know if he should
F 'Cause once my God destroys the flesh, then there's the flood

[Refrão]

Bb If you knew it was the end of the world
A Could you love me like a child?
Gm Could you hold me in the dark?
B If you knew it was the end of the world
A Would you like to stay a while?
Gm Maybe we could build an ark

[Ponte]

Bb We could sail on broken driftwood through the sopping wet terrain
Gm And count the buildings and the bodies getting swallowed by the rain
F And in the water there's the doctor who didn't listen to my claim
Bb What a shame, he's circling a drain

[Terceira Parte]

Bb When I met you, I said I would never die
Bb But the joke was always mine 'cause I'm racing against time
Bb And I know it's not the end of the world
Am But could you pick me up at eight?
Dm7 'Cause my treatment starts today
