

# Halsey - The End

tom:  
 Gb (forma dos acordes no tom de F )  
 Capotraste na 1ª casa

[Primeira Parte]

F Dm7  
 Every couple of years now, a doctor says I'm sick  
 F  
 Pulls out a brand new bag of tricks and then they lay it on me  
 F Dm7  
 And at first, it was my brain, then a skeleton in pain  
 F Dm7  
 And I don't like to complain, but I'm saying sorry

[Pré-Refrão]

Bb Am  
 When I met you, I thought I was damaged goods  
 Bb  
 Had a fucked up childhood  
 Am  
 And there's poison in my brain and in my blood

[Refrão]

Bb A  
 If you knew it was the end of the world  
 Gm  
 Could you love me like a child?  
 F  
 Could you hold me in the dark?  
 B A  
 If you knew it was the end of the world  
 Gm  
 Would you like to stay a while?  
 F  
 Would you leave when it gets hard?

[Segunda Parte]

F Dm7  
 So I ran into the clinic and I asked to see the man  
 F Dm7  
 With his white coat and his stethoscope like a snake around  
 his hand  
 F Dm7  
 And I told him I'm not bitter 'cause I finally found a lover  
 F Dm7  
 Who's better for my liver and now I'll finally recover

[Pré-Refrão]

Bb Am  
 When I met him, I thought I was damaged goods  
 Bb  
 From a real bad neighborhood  
 Am  
 So we wrestled in the mud  
 Bb Am  
 And I told him he could stay right where he stood  
 Gm  
 But I don't know if he should  
 F  
 'Cause once my God destroys the flesh, then there's the flood

[Refrão]

Bb A  
 If you knew it was the end of the world  
 Gm  
 Could you love me like a child?  
 F  
 Could you hold me in the dark?  
 B A  
 If you knew it was the end of the world  
 Gm  
 Would you like to stay a while?  
 F  
 Maybe we could build an ark

[Ponte]

Bb A  
 We could sail on broken driftwood through the sopping wet  
 terrain  
 Gm F  
 And count the buildings and the bodies getting swallowed by  
 the rain  
 Bb A  
 And in the water there's the doctor who didn't listen to my  
 claim  
 Dm7  
 What a shame, he's circling a drain

[Terceira Parte]

Bb Am  
 When I met you, I said I would never die  
 Bb Am  
 But the joke was always mine 'cause I'm racing against time  
 Bb Am  
 And I know it's not the end of the world  
 Dm7  
 But could you pick me up at eight?  
 F  
 'Cause my treatment starts today
