Halsey - The End

Bb When I met him, I thought I was damaged goods tom: Gb (forma dos acordes no tom de F) Bb Capostraste na 1ª casa From a real bad neighborhood [Primeira Parte] So we wrestled in the mud Bb Am And I told him he could stay right where he stood Dm7 Every couple of years now, a doctor says I'm sick F Dm7 But I don't know if he should Pulls out a brand new bag of tricks and then they lay it on me 'Cause once my God destroys the flesh, then there's the flood Dm7 And at first, it was my brain, then a skeleton in pain [Refrão] Dm7 And I don't like to complain, but I'm saying sorry Bb [Pré-Refrão] If you knew it was the end of the world Gm Could you love me like a child? Rh Am When I met you, I thought I was damaged goods Could you hold me in the dark? Bb Had a fucked up childhood В If you knew it was the end of the world Am And there's poison in my brain and in my blood Gm Would you like to stay a while? [Refrão] Maybe we could build an ark Bb If you knew it was the end of the world [Ponte] Gm Could you love me like a child? Bb We could sail on broken driftwood through the sopping wet Could you hold me in the dark? terrain В Gm If you knew it was the end of the world And count the buildings and the bodies getting swallowed by the rain Gm Would you like to stay a while? Rh And in the water there's the doctor who didn't listen to my Would you leave when it gets hard? claim Dm7 [Segunda Parte] What a shame, he's circling a drain [Terceira Parte] F Dm7 So I ran into the clinic and I asked to see the man Dm7 Bb With his white coat and his stethoscope like a snake around When I met you, I said I would never die his hand Bb But the joke was always mine 'cause I'm racing against Dm7 time And I told him I'm not bitter 'cause I finally found a lover Am Bb And I know it's not the end of the world Dm7 Who's better for my liver and now I'll finally recover Dm7 But could you pick me up at eight? [Pré-Refrão] 'Cause my treatment starts today Acordes
