

Halsey - Without Me

tom:

Found you
 When your heart was broke
 I filled your cup
 Until it overflowed
 Took it so far
 To keep you close (Keep you close)
 I was afraid to leave you on your own
 (D)

I said I'd catch you if you fall (Fall)
 And if they laugh, then fuck 'em all (All)
 And then I got you off your knees
 Put you right back on your feet
 Just so you could take advantage of me
 (G)

Tell me, how's it feel sittin' up there?
 Feeling so high, but too far away to hold me
 You know I'm the one who put you up there
 Name in the sky, does it ever get lonely?
 Thinking you could live without me
 Thinking you could live without me

Baby, I'm the one who put you up there
 I don't know why (Yeah, I don't know why)
 Thinking you could live without me
 Live without me
 Baby, I'm the one who put you up there
 I don't know why (I don't know why, yeah, yeah)

Gave love 'bout a hundred tries (Hundred tries)
 Just running from the demons in your mind
 Then I took yours and made 'em mine (Mine)
 I didn't notice 'cause my love was blind
 I said I'd catch you if you fall (Fall)

And if they laugh, then fuck 'em all (All)
 And then I got you off your knees
 Put you right back on your feet
 Just so you could take advantage of me
 (D)

Tell me, how's it feel sittin' up there?
 Feeling so high, but too far away to hold me
 You know I'm the one who put you up there
 Name in the sky, does it ever get lonely?

Thinking you could live without me
 Thinking you could live without me

Baby, I'm the one who put you up there
 I don't know why (Yeah, I don't know why)
 Thinking you could live without me
 Live without me
 Baby, I'm the one who put you up there
 I don't know why (I don't know why, yeah, yeah)

You don't have to say just what you did (what you did)
 I already know (I know)
 I had to go and find out from them (Oh-woah)
 So tell me, how's it feel? (Oh-woah)

Tell me, how's it feel sittin' up there?
 Feeling so high, but too far away to hold me
 You know I'm the one who put you up there
 Name in the sky, does it ever get lonely?

Thinking you could live without me
 Thinking you could live without me

Baby, I'm the one who put you up there
 I don't know why (Yeah, I don't know why)
 Thinking you could live without me
 Live without me
 Baby, I'm the one who put you up there
 I don't know why (I don't know why, yeah, yeah)
