

Hamilton Ludovice - Batida Bossa

tom:

Dbm

Batida leve com teor burocrata

Remansou

Batida mansa nesse ?quase me mata?

Meu amor

Batida faz do seu guião contra-tempo

E do seu tempo esse quase falar

Batida bossa

Roça o mar que retrata

Batida triste de poesia barata

Balançou

Batida clara que sussurra na sala

Tanto amor

Batida traz no violão uma alma

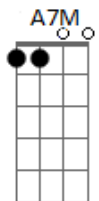

Som que acalma um barquinho no mar

Batida bossa

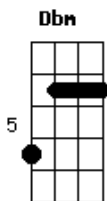

Roça o mar que retrata
