

Hamilton Luduvica - If

G tom:

If you could see what you mean to me
 You'd give me your heart till eternity
 If the cold breeze blew slowly in your ear
 If the birds sung
 If the dreams go on
 I assume you already know that I'd give you all my soul

Abm6 Db7 Gm Gb
 I'd give you all my life
 Fm Bb7
 So nice

If you could be the mystery
 At least my lonely nights became tender
 If you held me as tight as you can do that
 If the rain appeared
 If the sky agreed
