

# Hamilton - Burn

Tom: D

I saved every letter you wrote me  
 From the moment I read them  
 I knew you were mine  
 You said you were mine  
 I thought you were mine

Do you know what Angelica said  
 When we saw your first letter arrive?  
 She said  
 "Be careful with that one, love  
 He will do what it takes to survive"

You and your words flooded my senses  
 Your sentences left me defenseless  
 You built me palaces out of paragraphs  
 You built cathedrals  
 I'm re-reading the letters you wrote me  
 I'm searching and scanning for answers  
 In every line  
 For some kind of sign  
 And when you were mine  
 The world seemed to

Burn  
 Burn  
 Burn

You published the letters she wrote you  
 You told the whole world how you brought  
 This girl into our bed  
 In clearing your name, you have ruined our lives

Do you know what Angelica said  
 When she read what you'd done?  
 She said  
 "You have married an Icarus  
 He has flown too close to the sun"

You and your words, obsessed with your legacy  
 Your sentences border on senseless  
 And you are paranoid in every paragraph  
 How they perceive you  
 You, you, you

I'm erasing myself from the narrative  
 Let future historians wonder how Eliza  
 Reacted when you broke her heart  
 You have torn it all apart  
 I am watching it

Burn  
 Watching it burn

The world has no right to my heart  
 The world has no place in our bed  
 They don't get to know what I said  
 I'm burning the memories  
 Burning the letters that might have redeemed you  
 You forfeit all rights to my heart  
 You forfeit the place in our bed  
 You'll sleep in your office instead  
 With only the memories  
 Of when you were mine

I hope that you burn
