[Primeira Parte]
                 E7M
      Everybody knows how I need you
     B7M E7M B7M E7M
             with me
All time?
      When I feel myself sad and lonely
B7M E7M
I know, only you, only
                     B7M E7M
                         you
[Pré-refrão]
A7M
       Only you never lie for me
G7M
                    F
        While night is fal?ling
                       D7M
         You gave me love all those years
G7M
           F7M Gbm11
Only you
           show me all my
                              fears?
