

# Handsome Poets - Make It Better

Tom: G  
Intro: Am G Dm Am G Dm

Em F Em  
While people change  
And lose their faith  
Keep up your head  
It will make you feel better

Em F Em  
Don?t let me down  
Don?t lose your faith  
When darkness falls  
We should make it better

[Refrão]

G E7  
Will you look at the stars tonight  
Am F  
I promise I will too  
Dm G  
Believe in love is all that really matters

G E7  
Will you look at the stars tonight  
Am F  
And will I think of you  
Dm G  
Where do we go from here to make it better?

( Am G Dm )

Em F Em  
While your mind is free  
Still you need company  
Keep up your head  
It will make you feel better

Em F Em  
You?re in control  
Where do you want to go

F  
The future?s here  
Dm  
We should make it better
