

Hank Williams - Cold Cold Heart

Tom: C

I tried so hard my dear to show that you're my every dream ^{G7}
 Yet you're afraid each thing I do is just some evil scheme ^C
 A memory from your lonesome past keeps us so far apart ^{C7 F}
 Why can't I free your doubtful mind and melt your Cold Cold Heart ^{G7 C}

Another love before my time made your heart sad and blue ^{G7}
 And so my heart is paying now for things I didn't do ^C
 In anger unkind words are said that make the teardrops start ^{C7 F}
 Why can't I free your doubtful mind and melt your Cold Cold Heart ^{G7 C}

Heart

You'll never know how much it hurts to see you sit and cry ^{G7}
 You know you need and want my love yet you're afraid to try ^C
 Why do you run and hide from life to try it just ain't smart ^{C7 F}
 Why can't I free your doubtful mind and melt your Cold Cold Heart ^{G7 C}

There was a time when I believed that you belonged to me ^{G7}
 But now I know your heart is shackled to a memory ^C
 The more I learn to care for you the more we drift apart ^{C7 F}
 Why can't I free your doubtful mind and melt your Cold Cold Heart ^{G7 C}
