

# Hank Williams - Cold Cold Heart

Tom: C

I tried so hard my dear to show that you're my every dream <sup>G7</sup>  
 Yet you're afraid each thing I do is just some evil scheme <sup>C</sup>  
 A memory from your lonesome past keeps us so far apart <sup>C7 F</sup>  
 Why can't I free your doubtful mind and melt your Cold Cold Heart <sup>G7 C</sup>

Another love before my time made your heart sad and blue <sup>G7</sup>  
 And so my heart is paying now for things I didn't do <sup>C</sup>  
 In anger unkind words are said that make the teardrops start <sup>C7 F</sup>  
 Why can't I free your doubtful mind and melt your Cold Cold Heart <sup>G7 C</sup>

Heart

You'll never know how much it hurts to see you sit and cry <sup>G7</sup>  
 You know you need and want my love yet you're afraid to try <sup>C</sup>  
 Why do you run and hide from life to try it just ain't smart <sup>C7 F</sup>  
 Why can't I free your doubtful mind and melt your Cold Cold Heart <sup>G7 C</sup>

There was a time when I believed that you belonged to me <sup>G7</sup>  
 But now I know your heart is shackled to a memory <sup>C</sup>  
 The more I learn to care for you the more we drift apart <sup>C7 F</sup>  
 Why can't I free your doubtful mind and melt your Cold Cold Heart <sup>G7 C</sup>
