

# Hannah Storm - When Does a Rumor Become Gospel

tom:

Intro: Dm7 G7 A Aadd9 Aadd9

[Primeira Parte]

Dm7 G7 Aadd9 Aadd9  
When does a rumour become gospel?  
Dm7 G7 Aadd9 Aadd9  
When does a habit take its hold?  
When did the start become the end?  
Aadd9 Aadd9  
All my words staying silent  
Dm7 G7 Aadd9  
How do I find myself a savior?

[Pré-Refrão]

Dm7 G7 Aadd9  
Pressure's up, systems down  
Aadd9  
Never felt shaken as I do now  
Dm7 G7 Aadd9  
Curtain falls, the show must go on

[Refrão]

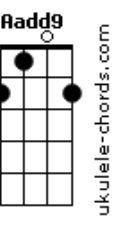

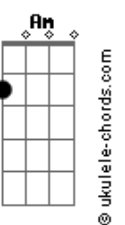

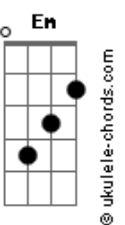

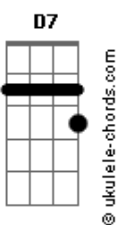

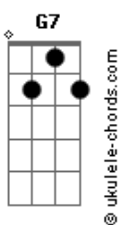

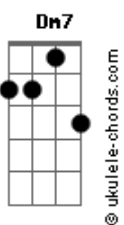

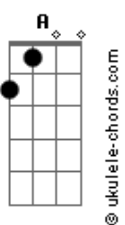

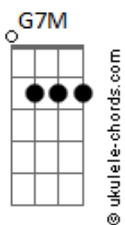

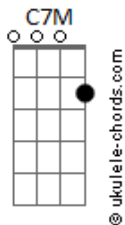

C7M D7  
But I don't want to step outside my head  
I'll stay uncomfortably numb here instead  
Turn the lights down low, should I stay or go?  
If I fix all the holes in my heart  
Would it stop this world falling apart?  
'Cause these rumors got me fooled again

[Segunda Parte]

Aadd9 Aadd9  
When did this room become so empty?  
Dm7 G7 Aadd9 Aadd9  
When did a friend become a foe?  
Talking to the enemy  
Aadd9 Aadd9  
All of the words whispered sweetly  
Dm7 G7 Aadd9 Aadd9  
How do I stop myself from listening?

[Pré-Refrão]

## Acordes

Would it stop this world falling apart?  
'Cause these rumors got me fooled

[Ponte]

C7M  
How do I move when I feel paralyzed?  
D7  
How do I dream when I can't sleep at night?  
G7M  
Try to scream but it don't make a sound  
Em  
I thought I'd be someone better by now

[Chorus]

Am D7  
But I don't want to step outside my head  
I'll stay uncomfortably numb here instead  
Turn the lights down low, do I go?  
If I fix all the holes in my heart  
Would it stop this world falling apart?
