

# Hannah Zeile - Where I Belong

tom:  
 Capotraste na 1ª casa (forma dos acordes no tom de G)

**G**  
 There are people who know what they wanna be  
**C**  
 Been feeling like everyone knows but me  
**G**  
 Been keeping my head down  
**G**  
 For too long now

**G**  
 There are people so fearless in this world  
 They make me feel like a scared little girl  
**C**  
 But things are gonna turn around  
**G**  
 I'm looking up now

**D**  
 I'm gonna get out of my head  
**C**  
 And out in the world

**D**  
 Gonna say my goodbye to this  
**C**  
 Scared little girl  
**Am** **D**  
 I know if I just stay strong  
**G**  
 I'm gonna find out where I belong

**G**  
 There are days that I just wanna stay inside  
 Shut the door and  
 Turn out all the lights  
**C**  
 But keeping my eyes closed  
**G**  
 Not how its gonna go this time

**D**  
 Gonna get out of my head  
**C**  
 And out in the world  
**D**  
 Gonna say my goodbye to this  
**C**

Scared little girl  
**Am** **D**

 I had from the start  
**Am** **D**
