

# Hans Zimmer - Hoist The Colours

Tom: E

m

The king and his men <sup>Em</sup>  
 Stole the queen from her bed <sup>Am</sup> <sup>Em</sup>  
 And bound her in her bones <sup>B7</sup>  
 The seas be ours, and by the powers  
 Where we will, we'll roam <sup>Em</sup>

<sup>Em</sup> <sup>Am</sup> <sup>Em</sup>  
 Yo ho, haul together  
 Hoist the colors high <sup>B7</sup>  
 Heive ho, thieves and beggars  
 Never shall we die <sup>Em</sup>

<sup>Em</sup>  
 Now some have died  
 And some are alive <sup>Am</sup> <sup>Em</sup>  
 And others sail on the sea <sup>B7</sup>  
 With the keys to the cage <sup>B7</sup>  
 And the devil to pay <sup>Em</sup>

We lay to the fiddler's green <sup>Em</sup>  
 Yo ho, haul together <sup>Em</sup> <sup>Am</sup> <sup>Em</sup>  
 Hoist the colors high <sup>B7</sup>  
 Heive ho, thieves and beggars <sup>B7</sup>  
 Never say we die <sup>Em</sup>

The bell has been raised <sup>Em</sup>  
 From it's watery grave <sup>Am</sup> <sup>Em</sup>  
 Do you hear it's sepulchral tone? <sup>B7</sup>  
 We are a call to all <sup>B7</sup>  
 Pay head the squall  
 And turn your sail toward home! <sup>Em</sup>

<sup>Em</sup> <sup>Am</sup> <sup>Em</sup>  
 Yo ho, haul together  
 Hoist the colors high <sup>B7</sup>  
 Heive ho, thieves and beggars <sup>B7</sup>  
 Never say we die <sup>Em</sup>
