

# Hanson - Already Home

Tom: C

You've been trapped in a moment <sup>C F</sup>  
 'Cause you've been running in place <sup>C F</sup>  
 And now you're casting a shadow <sup>C F</sup>  
 That's hanging long on my face <sup>C F</sup>  
 I see you keeping your distance <sup>C F</sup>  
 But you're not telling me why <sup>C F</sup>  
 You're looking to the horizon <sup>C F</sup>  
 Instead of here and now tonight <sup>G F</sup>  
 I don't know what is broken <sup>G F</sup>  
 You act like you don't belong here anymore <sup>G F</sup>  
 If you've really lost something <sup>G F</sup>  
 Maybe you should start where you've been before <sup>C F</sup>  
 I think you're already home <sup>C F</sup>  
 I think you're already home <sup>C F</sup>  
 But you keep running 'round in circles boy, you'll end up <sup>C F</sup>  
 Right back at the eye of the storm, <sup>C F</sup>  
 oh oh oh oh <sup>C F</sup>  
 When you see your reflection <sup>C F</sup>  
 Do you recognize yourself <sup>C F</sup>

'Cause every word that you say <sup>C F</sup>  
 I hear another cry for help <sup>G F</sup>  
 If you can't see it <sup>G F</sup>  
 Why don't you open your eyes <sup>G F</sup>  
 I'm right here waiting <sup>G</sup>  
 You don't have to go far <sup>C F</sup>  
 Because you're already home <sup>C F</sup>  
 I think you're already home <sup>C F</sup>  
 But you keep running 'round in circles boy, you'll end up <sup>C F</sup>  
 Right back at the eye of the storm, <sup>C F</sup>  
 oh oh oh oh <sup>C Em G</sup>  
 When you're all fed up being down <sup>C Em</sup>  
 When you're all fed up <sup>G</sup>  
 You'll be the last man standing on the battleground <sup>C Em G</sup>  
 When you're all fed up being down <sup>C F</sup>  
 You can come home to this town <sup>C F</sup>  
 I think you're already home <sup>C F</sup>  
 I think you're already home <sup>C F</sup>  
 But you keep running 'round in circles but you end up <sup>C F</sup>  
 Right back at the eye of the storm, <sup>C F</sup>  
 oh oh oh oh <sup>C F</sup>
