

# Hanson - Breaktown

Tom: Db

( I. Hanson / T. Hanson / Z. Hanson / Farah )

[Intro:] Gb B Db7

Are you ready to lose? Are you ready to win?  
 Well I've been losing for so long I can't again  
 I'm the man on the moon, I'm the man on the ledge  
 Well I'm the words you never knew, in your head, to be read

You can't help you're so insecure  
 You're hurt right down to the core  
 You're only stuck in your pain today

Welcome to breaktown for the first time  
 It's a great town for your worst time

When you freak out there's a road sign  
 Welcome to breaktown

Are you ready to quit? Are you ready to learn?  
 Are you ready to find the spark inside and let it burn?  
 I'm the walls that close in, I'm the words you won't say  
 I'm the voices you choose to keep inside and lock away, every day

You keep it all to yourself  
 You're just like everyone else  
 So take a good look around

Well you're coming through  
 There's a room with a view  
 Just hangin' around  
 Welcome to breaktown  
 Welcome to breaktown

## Acordes
