[Intro:] G C G

You promised not to say a word C G
 You promised you would keep it quiet C G
F But you and I both knew it Bb
Am It was written all over your face C
G D C G
 So I cried Bb C G D C G Bb C

Did you say goodbye?

We had a love I thought could last
 I guess I was thinking four leaf clovers
 But you wished we were over
 Now I've lost thee and I've only got one

Am Let's not even bother in talking about it Bb
Em It doesn't really matter to you C
G D C G Bb C
 So get on home baby!
 A secret's something that you keep
 And a heart is something to hold on to
 But you play by your own rules
 And one day they will blow up in your face
