

# Hanson - Day Has Come

Tom: C

I. Hanson / T. Hanson / Z. Hanson

[Intro:] G C F G C G

Well the day has come to where

I've never thought of anyone

Quite as much as I think of you

As the days go by I never wonder why  
I just know it's true  
Well the day has come (Well the day has come)

Well I never would have thought that I

Could love someone like I love you

And I never would have thought

That anyone could love me like you do

[Solo] Dm C G

The day has come and still I never  
Ask myself why I love you  
And as the days go by it seems that I  
Love you more than I did the day before
