

# Hanson - Day Has Come

Tom: C

I. Hanson / T. Hanson / Z. Hanson

[Intro:] G C F G C G

Well the day has come to where  
 I've never thought of anyone  
 Quite as much as I think of you  
 As the days go by I never wonder why  
 I just know it's true  
 Well the day has come (Well the day has come)

Well I never would have thought that I  
 Could love someone like I love you  
 And I never would have thought  
 That anyone could love me like you do  
 [Solo] Dm C G

The day has come and still I never  
 Ask myself why I love you  
 And as the days go by it seems that I  
 Love you more than I did the day before

## Acordes
