

Hanson - Fire On The Mountain

Tom: **D**

I. Hanson / T. Hanson / Z. Hanson

[Intro:] **D D G D D G**

We sit secure in time-honored traditions made **G**
 And never wondering where or when the sickle may come **G**
 If we don't seek out knowledge to be greater men **G**
 When the rain starts falling gonna drown before we get our **A**

feet wet

We build our ivory towers to protect us from the floods
 A fleet of vessels made of wood so they won't rust
 Can we see the bottom of a bottle when we start to drink?
 There's fire on the mountain...fire and it's coming our way

Can we pick the pieces up **G**

We're mending Babylon **D**
 Tryin' to right the wrong **D**

Can we pick the pieces up **G**
 Live, learn, lie, love, die, dust, gone **A Bm G D**

Acordes
