

Hanson - For Your Love

Tom: C

C
I know I was made to find you
Am
Our fates were always intertwined
F
You're the dream I go to
G
Every time I close my eyes

C
Like the northern star you guide me
Am
When I journey far from home
F
And now that I have you beside me
G
There is no way that I'll let you go

C
If you're lost then I will find you
And if you ask me
Am
I'll lay my life down, not for glory
F **G**
I'm striving for your love
I'm fighting

C
There are many things to fight for
Am
And castles won by greater men
F
But you're the only thing I long for
G
And your honor I will always defend

C
If you're lost then I will find you
And if you ask me
Am
I'll lay my life down, not for glory
F **G**
I'm striving for your love

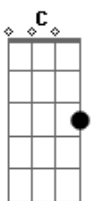

Am **F**
I'm fighting for your love
C **G**
I will tear down any wall
Am **F**
And for your love
C **G**
I'll turn my back on this world
Am **F**
For your love
C **G**
Every treasure I'll deny myself
Am **F**
For your love
C **G**
For your love

D
If you're lost then I will find you
And if you ask me
Bm
I'll lay my life down, not for glory
G **A**
I'm striving for your love
I'm fighting

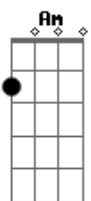

D
If you're lost then I will find you
And if you ask me
Bm
I'll lay my life down, not for glory
G **A**
I'm striving for your love
Bm **G**
I'm fighting

D **A**
Oh, for your love
Bm **G**
I'm falling
D **A**
Every treasure I'll deny myself
Bm **G**
For your love
Bm **A**
For your love
I'm fighting
