[Intro:] C

C  
Well, my temperature's risin' got my feet on the floor  
Got twenty people rockin' singin': more more more  
Come on, pretty baby, I don't know what you've got  
But you'd better take it easy this place is hot

And I'm so glad you made it  
So glad you made it won't you come on  
Gimme some lovin'  
(Gimme some lovin')  
Gimme some lovin'  
(Gimme some lovin')  
Gimme some lovin' every day

Well I feel so good, everybody's gettin' hot  
I'm gonna take it easy 'cause the place is on fire  
Come on, pretty baby, I don't know what you've got  
But you'd better take it easy this place is  
Well I heard about the fell a you've been dancing  
With all over the neighborhood.  
So why didn't you ask me baby, didn't you think I could...

Well I know that the Boogaloo is out of sight  
And the shangalang is down tonight  
But if it had been just me and you baby  
I'd come to show you how to do right  
Do it right, uh-huh do it right  
Do me right, do me right, do me right

Ah twistin. shake-it shake-it shake it shake it baby  
Twistin, shake-it shake-it shake-it shake-it baby  
Here we go loop-dee-loop, uh-huh shake it up baby  
Oh, here we go loop-dee-lie  
Bend over and let me see you shake your tail feather  
Bend over and let me see you shake your tail feather  
Come on let me see you shake your tail feather  
Come on let me see you shake your tail feather  
Twistin, shake-it shake-it shake-it shake-it baby  
Twistin, shake-it shake-it shake-it shake-it baby  
Oh, do the twist, do the fly, do the mashed potato  
Come on and do the bird, the joney morony, oh shake it  
Watoosie, come on and do the twist

Well I feel so good, everybody's gettin' hot  
I'm gonna take it easy 'cause the place is on fire  
Been a hard day, nothin's been too good  
Now I'm gonna relax honey, everybody should

And I'm so glad you made it  
So glad you made it  
And I'm so glad you made it  
So glad you made it won't you come on  
Gimme some lovin'
