Hanson - Go

Tom: G Intro: G C Em D G C For all the love we've made Em D Just one thing stays the same G C The lamp gets dusty, the pipes get rusty Em D But I don't wanna wash my hands clean

Well you say you love me too Then why won't you go through With the nightly kisses, with the hits and the misses

Acordes

Well if you can make it on your own then...

G C Go if you wanna go Em D G But stay if you wanna know the way C Through the mess we've made Em D G Or lie in the bed you know or go I heard your moving van But I didn't take a stand You can't leave with them You can't live without them

I never thought I'd want to let you...
