You know that I want you **A**
 You know that I need you too
 When you look at me I hope you believe

So I'm gonna show ya
 The feelings I have for you
 But you need to know I have no control
 Of the things you make me do

D **A**
 Well I know you don't understand

D **Db7**
 Would you please just give me your hand

D **A**
 I don't know how much more I can take(More I can take)

D **A**
 Stuck in a dream and I don't wanna wake(Don't wanna wake)

D **A**
 Is this real or is this a mistake

E
 I know one thing this is true

A
 I couldn't want anyone half as bad as you

You say that you want me
 You say that you need me to
 But you can't mean the words you say
 The way I know I do

I say that I love you
 I tell them you're mine
 They just turn and walk away
 It happens all the time

But I know they don't understand
 Would you please just give me your hand
 I don't know how much more I can take(More I can take)
 Stuck in a dream and I don't wanna wake(Don't wanna wake)
 If it's real and it ain't no mistake
 I know one thing, this is true
 I couldn't want anyone half as bad as you

Gbm **A** **Ab Gbm**
 I hope these words get your attention

E
 Sometimes I get carried away
 With what I say is it okay, ay, ay, ohhhhh

Solo: **D A D A D A Db7**

I don't know how much more I can take
 Stuck in a dream and I don't wanna wake
 Cause this is real and it's not a mistake
 And I know one thing this is true,
 You love me and I love you
 And I couldn't want anyone, half as bad as you
