

Hanson - Hey

Tom: D

[Intro:] D C G C

And I say: Hey, when I'm making my movie, baby
 You keep saying all my, you keep braking all my...

Hey, you like boots and perfume
 Hey, your red pumps and your Cadillac blues
 Hey, you want that fine white wine on my dime

What you want from me
 Cause you're on my mind
 Don't you care no more
 That you're losing yourself

Don't you want some truth
 Cause I'll give you mine

Hey, when I'm making my movie, baby
 You keep saying all my lines
 Hey, after Sunset Drive cruising, baby
 You're just yesterdays prize
 You're just yesterdays prize, Hey, Hey

Hey, do do do do
 You want trips on a white yacht for two
 Hey, you want Beverly Heights, bright lights, late nights

Your red pumps and your Cadillac blues
 You want trips on a white yacht for two
 Your red pumps and your Cadillac blues
 You like boots and expensive perfume

Acordes
