

# Hanson - I Almost Care

Tom: E

[Intro:] E A

E A  
 Even though I hurt you all the time  
 E B  
 You're on my mind, I won't deny  
 E A  
 Everything I did I take it back  
 E B  
 I'll make it right, at least I'll try  
 Dbm E B  
 Now there's only one thing on my mind  
 Gbm A  
 It's taken me some time girl  
 Dbm E B  
 I'm ready now to lay it on the line  
 Gbm A

I hope you want to try still, you know I will

E B A  
 Don't give up when you're so close  
 Dbm B A  
 Don't give up when you're almost there  
 E B A  
 Don't give up when you're so close  
 E A E A  
 I almost care, I almost care

I admit I don't know why you'd stay  
 I've tried so hard to push you away  
 I'm saying all the words you used to say  
 It's turned around, you've turned away
