

Hanson - Little Saint Nick

Tom: A
(Brian Wilson)

[Intro:] E A B

Merry Christmas day

Well way up North where the air gets cold

There's a tale about Christmas that we've all been told

And a real famous guy all dressed up in red

And he spends his whole year working out on the sled

He's a little St Nick (Little St Nick)

He's a little St Nick (Little St Nick)

Just a little bobsled, we call it old St Nick
She'll walk a tobogan with a four speed stick
She is candy-apple red with a ski for a wheel
And when Santa gives her gas man, watch her peel

He's a little St Nick (Little St Nick)

He's a little St Nick (Little St Nick)

Solo: A D A Gb B E

Well he's hauling through the snow with frightening speed
And a half a dozen reindeer with a Rudy to lead
Well, he's gotta wear shades cos the snow really flies
He's cruising every path with a little surprise

He's a little St Nick (Little St Nick)

He's a little St Nick (Little St Nick)

Merry Christmas

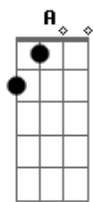

Christmas comes this time each year

Merry Christmas

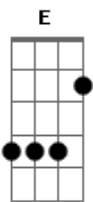

Christmas comes this time each year

Merry Christmas
