

# Hanson - Lucy

Tom: C

[Intro:] C Dm Em Dm

C Dm Em Dm C Dm Em Dm  
The day that I left Lucy

C Dm Em F Em  
A tear fell from her eye

Am Em Am Dm G  
Now I don't have nobody, and I was such a fool

C Dm Em Dm  
On the day that I left Lucy

The day that I left Lucy

She cried, then said goodbye  
Now it's done, and it's over, and I am all alone  
On the day that I left Lucy

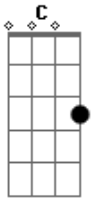

Am E C  
Now I don't have anymore songs to sing

'Cause you were everything, everything to me

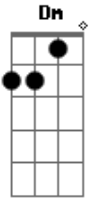

F Bb  
I didn't realize I felt this way, until that day

Today I'm missing Lucy,  
And you say that she's OK, I hope she is  
Now I don't have nobody and no one will ever replace...  
My Lucy, I love Lucy, Lucy...
