

# Hanson - Madeline

Tom: C

Repeat this chord progression throughout every verse:

G Out my window Bm A memory C D  
 I'm dyin' inside Bm I know the way it should be C  
 Though it was right G In front of me Abm7 D  
 It's something Am7 I just couldn't see D

Your lonely face, your lonely eyes  
 This is something you can't disguise  
 It's not just me, you feel it too  
 'Cause you know I belong with you

Prechorus

D Look at where we're going Bm7 tell me what can I say Am G  
 C We're tracing our footsteps, we're going the same way D

Chorus

G Em C D Madeline, here we go around again  
 G Em C D You know it, I know it, don't try to pretend  
 G F Em D You know it could be so much better than it's been  
 C D Aoooooooooooooh, here we go around again

Verse

I was empty inside, but I just didn't know  
 You were my ten thousand roses and I let you go

Before I make the same mistake just hold me in your arms  
 We belong you know it in your heart

Prechorus

Look at where we're going, no doubt in my mind  
 Can't you see It's meant to be oohoooooohoooooh my

Repeat Chorus

(Now there's this funky bridge part with no words, and I  
 Don't hear any guitar, so I don't play anything)

Prechorus

Look at where we're going, tell me what can I say  
 We're tracing our footsteps, we're going the same way, oh  
 my

Repeat Chorus 2x and fade out.

Some hints:

- 1) when you go to the chorus, it's a lot easier if you play the C chord as X32010
- 2) At the beginning of the prechorus, play the D chord as (I used parenthesis because there are double digit fret numbers)
- 3) In the acoustic version, the Bm chord is played as 799777
- 4) Also in the acoustic version, instead of going into the funky bridge part the go "here we go around again..." and hold it out.  
 For those of you wondering, just hold the C chord.  
 There it is! Hope you enjoy playing my favorite song!!!
