C G  
It must be the end of the road

We've given up on the good times and the bad we knew

There's still someone  
G  
That I can tell my troubles to

C G  
Me, myself, and I will never be alone  
Am  
We'll find a way to get along  
  
And we'll be fine  
F C  
When all that's left is me, myself, and I  
G  
Myself and I will never be alone  
Am

Verso 2:

C G  
When did it start getting old?  
Am F  
When did it stop being worth the time  
  
Just to see it through?

Am F  
We've already said too much  
  
To make it new
