

Hanson - My Own Sweet Time

Tom: G

(I. Hanson / T. Hanson / Z. Hanson)

^G
Hello goodbye my friend
Feels like the start all over again

^{Em} ^C
But I'd rather not pretend

^G ^D
There aren't things left to mend

^{Em} ^C
Somebody break my fall

^G ^D
I'm slippin' down all over again

^{Em}
I'm doing it all over

^G ^C ^{Am}
Takin' my own sweet time

^{Em}
I may make it slower

^G ^C
But I'm takin' my own sweet time

^{Am}
I'm takin' my own sweet

^{Em} ^C
Tell me where I begin

^G ^D
You can't deny what's already there

^{Em} ^C
I won't break but I can bend

^G ^D
Your shipping the scars so that I can't mend?

^{Em} ^C
Feel your fingers around my throat

^G ^D
There's nothing but bones beneath my skin

^{Em} ^C
Somebody break my fall

^G ^D
I'm slippin' down all over again

^{Em}
...time

^C ^G ^D
I'm doing it all over again, my friend

^{Em} ^C ^G ^D
See my friend, you know, I'm doing it all over again, again

Oh hello goodbye my friend

Until we start all over again

Oh somebody break my fall

I'm slippin' down all over again

(Em G C Am)

Oh over again

Oh doing it all over

Hello goodbye my friend

Until we start all over

Start all over again

I'm doing it all over

Doing it all over

Hello goodbye my friend

Until we start all over

Start all over

I'm doing it all over again

Doing it all over again
