

# Hanson - My Own Sweet Time

Tom: G

( I. Hanson / T. Hanson / Z. Hanson )

G  
Hello goodbye my friend  
Feels like the start all over again  
Em C  
But I'd rather not pretend  
G D  
There aren't things left to mend  
Em C  
Somebody break my fall  
G D  
I'm slippin' down all over again  
Em  
I'm doing it all over  
G C Am  
Takin' my own sweet time  
Em  
I may make it slower  
G C  
But I'm takin' my own sweet time  
Am  
I'm takin' my own sweet  
Em C  
Tell me where I begin  
G D  
You can't deny what's already there  
Em C  
I won't break but I can bend  
G D  
Your shipping the scars so that I can't mend?

Em C  
Feel your fingers around my throat  
G D  
There's nothing but bones beneath my skin  
Em C  
Somebody break my fall  
G D  
I'm slippin' down all over again  
Em  
...time  
C G D  
I'm doing it all over again, my friend  
Em C G D  
See my friend, you know, I'm doing it all over again, again  
Oh hello goodbye my friend  
Until we start all over again  
Oh somebody break my fall  
I'm slippin' down all over again  
( Em G C Am )  
Oh over again  
Oh doing it all over  
Hello goodbye my friend  
Until we start all over  
Start all over again  
I'm doing it all over  
Doing it all over  
Hello goodbye my friend  
Until we start all over  
Start all over  
I'm doing it all over again  
Doing it all over again
