

Hanson - Never Love Again

Tom: F

(I. Hanson / T. Hanson / Z. Hanson)

[Intro:] C7

Just a simple conversation ^F
 But I've memorized each line ^{C7}
 The way you hold your head when you're smiling ^F
 Gets me every time ^{Dm}

Though you take my breath away ^{Dm Bb7}
 There's one thing I have to say ^F
 I'll never love again, again ^{Eb C7 C7}

I tore up all the letters that you wrote me
 I packed up all your things
 But I can't stop myself from hoping
 When the telephone rings

It's funny how I feel this way ^{Dm Bb7}
 And all that's left to say ^F
^{Eb}

I'll never love again
^{C7 C7 Db Dm}
 I'll never love again

^{Dm Bb}
 If I had won the world
 And angel wings unfurled ^F
 And came down by my side ^{C7 Db Dm}
 I'd give it all away for just a single day ^{Dm Bb F}
 That I could use to change your mind ^{Eb C7 C7}

So when I see you next time
 Please don't cause a fuss
 Cos I still haven't told all my friends
 About the two of us

^{Dm Bb7}
 All of this is yesterday
 And all that there is left to say ^F
 I'll never love again ^{C7}
 I'll never love again ^{Eb}
 I'll never love again ^{C7}
 I will never love again ^{C7 Db Ab Bbm F}
