

Hanson - Optimistic

Tom: G

(Thom Yorke)

[Intro:] F G D
D C Em D

(D C Em D)

Flies are buzzing around my head
Vultures circling the dead
Picking up every last crumb
The big fish eat the little ones
The big fish eat the little ones
Not my problem give me some

If you try the best you can
If you try the best you can

If you try the best you can
The best you can is good enough

This one's optimistic
This one went to market
This one just came out of the swamp
This one dropped a payload
Fodder for the animals
Living on an animal farm

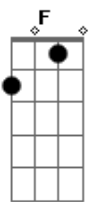

Solo: F Em G D

I'd really like to help you man
I'd really like to help you man...
And now this messed up millionaire
Floating around on a prison ship
