Ab Bbm Cm

For a rockerball rolling down

Rockerball had to find
 Away to ease his rocker mind
 Rockerball he couldn't stay
 'Cause there's nothing left in this down
 For a rockerball rolling down
 Well this Rockerball's rolling down

Won't you watch me bleed Rock n Roll Razorblade
 Watch me bleed Rock n Roll Razorblade

Rockerball slipped away
 On a bus to LA
 He found a band, he had to play
 They said take a breath, look around
 Well there's nothing left in this town
 For a Rockerball's brand new sound
