Rockerball had to find  
Away to ease his rocker mind  
Rockerball he couldn't stay

'Cause there's nothing left in this down  
For a rockerball rolling down  
Well this Rockerball's rolling down

Won't you watch me bleed Rock n Roll Razorblade  
Won't you watch me bleed Rock n Roll Razorblade

Rockerball slipped away  
On a bus to LA  
He found a band  
He had to play

They said take a breath, look around  
Well there's nothing left in this town  
For a Rockerball's brand new sound

Won't you watch me bleed Rock n Roll Razorblade  
Won't you watch me bleed Rock n Roll Razorblade  
Watch me bleed Rock n Roll Razor  
Watch me bleed Rock n Roll Razorblade
