

Hanson - Running Man

Tom: **F**

I. Hanson / T. Hanson / Z. Hanson

[Intro:] **F G Em A F G C Eb Ab Bb C**

Waiting up all night

Something on my mind

I need to tell you why

He's playing you for a fool

He's fooling around on you

And I just lost my cool

Feeling so sane

Too bad for the running man

Cause he waits too long

So he can't come back again

Too bad for the running man

Cause he's right here waiting

To make that girl forget

Too bad for the running man goodbye

Life isn't what it seems

It's something in a dream

That's not quite what I mean

I need to say Goodbye

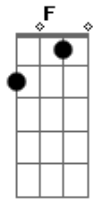

You think I didn't try

I'm not that other guy

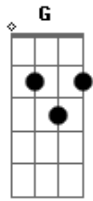

I'm feeling so sane?

Solo: **C G Am F Bb**
