[Primeira Parte]

Loving you like I never had before
 I'm needing you to open up the door
 If begging you might somehow turn the tides
 Then tell me to I've got to get this off my mind

[Pré-Refrão]

I never thought I'd be speaking these words
 I never thought I'd need to say
 Another day alone is more than I take

[Refrão]

Won't you save me, 'cause saving is what I need
 I just want to be by your side
 Won't you save me, I don't want to be
 Just drifting through the sea of life

[Segunda Parte]

Listen please, baby, don't walk out the door
 I'm on my knees, you're all I'm living for

[Pré-Refrão]

I never thought I'd be speaking these words

Heaven thought I'd find a way
 Another day alone is more than I can take

[Refrão]

Won't you save me, 'cause saving is what I need
 I just want to be by your side
 Won't you save me, I don't want to be
 Just drifting through the sea of life

[Ponte]

Suddenly the sky is falling
 Could it be it's too late for me
 If I never said I'm sorry, then I'm wrong, I'm wrong
 Then I hear my spirit calling
 Wondering if she's longing for me
 And then I know that I can't live without her

[Refrão]

Won't you save me, 'cause saving is what I need
 I just want to be by your side
 Won't you save me, I don't want to be
 Just drifting through the sea of life

[Final]

Won't you save me
 Won't you save me
 Won't you save me
