

Hanson - Someone

Tom: F

(I. Hanson / T. Hanson / Z. Hanson)

[Intro:] Dm Am

You were looking for somebody

Sans trop y croire, tu attendais

And you were needing a love like me

Comme une évidence, c'était écrit

Let's just take a chance

Laissons-nous une chance

Cos we need to find someone

L'important est ailleurs

We need to find someone

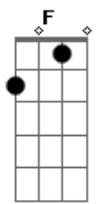

In a moment when I saw you
Le temps s'arrête à me rendre fou

I was racing, walking toward you
Mon coeur s'entête à me parler de nous

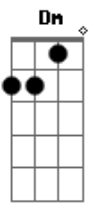

You ignited a fire in me

Si c'était pour la vie
