

Hanson - Sure About It

Tom: A

(I. Hanson / T. Hanson / Z. Hanson)

[Intro:] A D E

I'm definitely sure that I'm not sure

Sitting' on the corner of nowhere road

Just between I wish I could and I don't know

Rain is splashing up between her toes

She doesn't know her own area code

She's the picture of a heart of gold

On the edge of depression unknown

And a picture of the wrong I wrote

Now it's too late for a fight or fold

Now she's looking at me to know

The faucet's running and my car got towed

I'm sure about it

I'm definitely sure that I do surely doubt it
 I wish that I could say that I was sure about it
 But I'm definitely sure that I'm not sure

Did you see the man with the cocaine load
 It's on sale for the price of your soul
 And a man with a long trench coat
 Wish I could hide in a big black hole
 Sell all your pain, ten fold
 And you're crawling down a long, wrong road
 Fitted for a box they mold
 All you're mixing is a heart they stole
 Now they're looking at me to know
 My heart is pumping and my feet got cold

I'm definitely sure that I'm not
 Sure
 I'm sure that I'm not
 Sure
 You know

Sitting on the corner of nowhere road
 Just between I wish I could and I don't know
 There's a man with a long trench coat
 Wish I could hide in a big black hole
 Now they're looking at me to know
 My heart is pumping and my feet got cold
